

Bona SuperCourt®

Wood Sport Floor Maintenance

PREVENTION:

- Place proper walk-off mats in doorways to keep out dirt and grit.
- Install felt pads on tables and chairs used on hardwood floors.
- Avoid excess moisture from tracked in water, leaks, or over-maintenance such as wet mopping.

DAILY DUSTING & CLEANING:

- Dry dust daily with a Bona Microfiber Dusting Pad to remove dust, grit or other abrasive particles. **DO NOT USE ANY DUST MOP TREATMENTS.** Replace or wash dusting pads as necessary.
- Damp mop all spills or spots with a Bona Microfiber Cleaning Pad dampened with Bona Athletic Floor Care Hardwood Cleaner Concentrate. Dilute at the 1:128 ratio.
- Bona Athletic Floor Care Winter Cleaner can also be used to remove calcium chloride. Dilute at the 1:64 ratio.

PERIODIC MAINTENANCE:

(Recommended three times per week, and daily during high traffic/gym use times.)

- Dilute 1 part Bona Athletic Floor Care Hardwood Cleaner Concentrate to 128 ounces of water for a tacking solution. Tack with a Bona Microfiber Cleaning Pad. Be sure to rinse or wash cleaning pad as necessary. Continued use of a soiled cleaning pad will cause streaking.
- During winter months, use Bona Athletic Floor Care Winter Cleaner Concentrate to remove salts and calcium chloride tracked in. Tack the floor with a Bona Microfiber Cleaning Pad and be sure to wash after each use.

BUFFER:

- Shoe marks and scuffs can be removed by using Bona Athletic Floor Care Microfiber Bonnet Pads with a solution of hardwood cleaner concentrate, diluted 1:128.
- Lightly mist the floor with the cleaning solution as you buff. Both sides of the microfiber pads can be used, then should be washed. Continued use of soiled pads will cause streaking.
